

COVID-19 UPDATES & SAFETY PROCEDURES

Masks: Parents, students and staff must wear masks the entire duration. This includes entering the studio, in class, exiting the studio.

Temperature: All members entering the studio must have their temperature recorded upon entry.

Sanitation: It's imperative that students use hand sanitizer before class and after class as they exit the studio. We supply hand sanitizer throughout the studio.

Social Distancing: Dancers are required to stay 6ft apart for the duration of class. We have placed markers on the dance floor. Students will warm up and dance in these indicated spots. Sole Intensity teachers and staff are dedicated to keeping our families safe during these uncertain times.

Cleaning: We use disinfectant cleaners between each class. Sole Intensity staff will wipe down the ballet barre, floors, equipment and door handles.

Travel/ illness: If you or your dancer has traveled in the last 7 days, have symptoms of being ill or running a fever, please stay home.

Observers: Dancers ages 3-6 may be accompanied by one parent at the time of drop off and pick up. If your dancer is ages 7 and up you **cannot** walk them in or out of the studio.

Beverages: We are unable to supply water at this time. All students must bring their own water to class. Food is **not** allowed in the studio.
